CV 9010 - HANDS-FREE CAR KIT FOR BLUETOOTH MOBILES

SCOPE OF DELIVERY:

1] Monitor with built-in loudspeakers
2] Adhesive mounting pad with cigarette lighter plug
3] Microphone

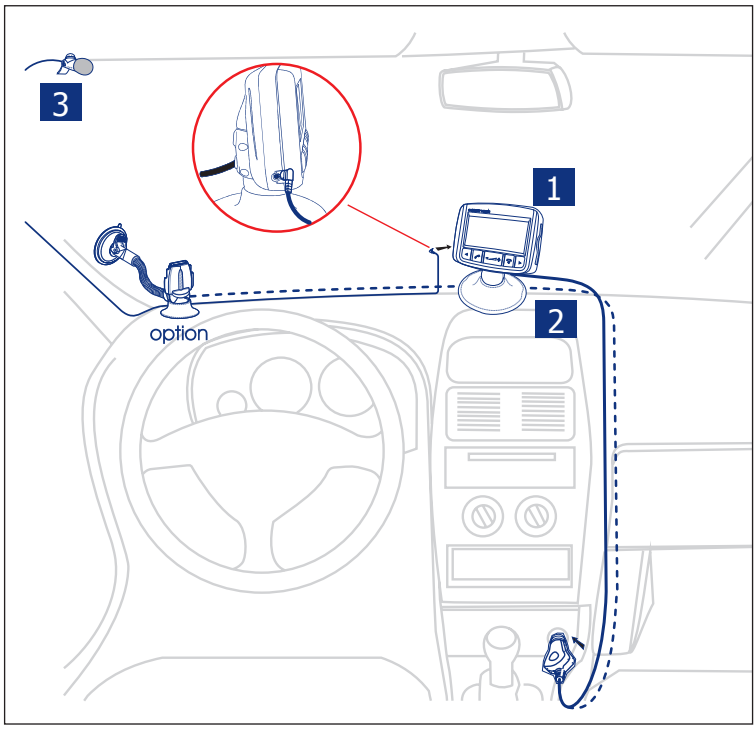
Also available with the Flex arm

INSTALLATION OVERVIEW



The large, easily legible multifunction display of this hands-free car kit offers maximum ease of use. Information is presented on the three-lined display and shows functions such as phone book entries, battery charge and reception quality. This system is incredibly compact with the electronics, two loudspeakers and the Bluetooth module integrated into the monitor.
The dialogue partner is provided with good audio quality via an external microphone which can be positioned to optimum effect in the vehicle.
